SUBJECT INDEX

HEARING

NATURE OF HEARING AND ITS DISORDERS

Hearing Loss and Deafness

- Prevalence of hearing impairment among school children. Lundeen, C. Jan. 1991, 269-271.

Effects of Noise and Issues in Hearing Conversation

- Effect of FM auditory trainers on attending behaviors of learning disabled children. Blake, R., Field, B., Foster, C., Platt, F., & Wertz, P. July 1991, 111-114.
 The effectiveness of an educational hearing conservation program for elementary schoolchildren. Chermak, G.D., & Peters-McCarthy, E. Jan. 1991, 308-312.
 Hearing conservation training of industrial technology teachers. Plakke, B.L. July 1991, 134-138.

ASSESSMENT OF HEARING

Diagnostic Audiology—General

- Educational audiology: A comparison of service delivery systems utilized by Missouri schools. Allard, J.B., & Golden, D.C. April 1991, 5-11.

Specific Diagnostic Techniques and Approaches

PEDIATRIC

- Prevalence of hearing impairment among school children. Lundeen, C. Jan. 1991, 269-271.

INTERVENTION

Habilitation, Rehabilitation, and Education

- Best practices in educational audiology. English, K. Jan. 1991, 283-286.
 Classroom amplification use: A national long-term study. Brackett, D., & van den Berg, S.A. Oct. 1991, 242-253.
 Educational audiology: A comparison of service delivery systems utilized by Missouri schools. Allard, J.B., & Golden, D.C. April 1991, 5-11.
 The effectiveness of an educational hearing conservation program for elementary schoolchildren. Chermak, G.D., & Peters-McCarthy, E. Jan. 1991, 308-312.

Hearing Aids and Other Prostheses

- Classroom amplification use: A national long-term study. Brackett, D., & van den Berg, S.A. Oct. 1991, 242-253.
 Educational audiology: A comparison of service delivery systems utilized by Missouri schools. Allard, J.B., & Golden, D.C. April 1991, 5-11.

LANGUAGE

NATURE OF NORMAL LANGUAGE

Language Development

- Children's development of irregular past tense verb forms. Shipley, K.G., Maddox, M.A., & Driver J.E. July 1991, 115-122.
 Four grammatic completion measures of language ability. Channell, R.W., & Ford, C.T. Oct. 1991, 211-218.
 What's normal? Specific language impairment in an individual differences perspective. Dale, P.S., & Cole, K.N. April 1991, 80-83.

Language Differences and Different Languages

- Assessment of language proficiency of limited english proficient speakers: Implications for the speech-language specialist. Adler, S. April 1991, 12-18.

Assessment

- Assessment of language proficiency of limited english proficient speakers: Implications for the speech-language specialist. Adler, S. April 1991, 12-18.

- Decision making in assessment and early intervention. Crais, E., & Roberts, J. April 1991, 19-30.

- Evaluating and enhancing idiom comprehension in language-disordered students. Nippold, M.A. July 1991, 100-106.

- Four grammatic completion measures of language ability. Channell, R.W., & Ford, C.T. Oct. 1991, 211-218.

SPEECH

NATURE OF NORMAL SPEECH

Perception of Speech

- Adjusting adolescents' vocal self-perception. Haskell, J.A. July 1991, 168-172.

SPEECH AND VOICE DISORDERS

Articulation and Resonance Disorders

- Attitudes of fourth and sixth graders toward peers with mild articulation disorders. Crowe, B.J. Jan. 1991, 334-339.
- The identification of vowel errors using traditional articulation or phonological process test stimuli. Pollock, K.E. April 1991, 39-50.

Speech and Voice Disorders in Personality and Psychiatric Disturbances

- Adjusting adolescents' vocal self-perception. Haskell, J.A. July 1991, 168-172.
- Psychosocial aspects of adolescent dysphonia: An approach to treatment. Beery, Q.C. July 1991, 163-167.

Stuttering and Other Fluency Disturbances

- Using collaborative/consultative service delivery models for fluency intervention and carryover. Cooper, C.S. July 1991, 152-153.

Voice and Other Laryngeal Disorders

- Adjusting adolescents' vocal self-perception. Haskell, J.A. July 1991, 168-172.
